PRODUCT REGISTRATION

Please register your ECU by going to **www.Holley.com/ProductRegistration**. Make sure to enter your email address and ECU serial number. You will be notified of any new firmware and software upgrades that are downloadable free of charge from Holley.

INSTRUCTIONS

Certain products contain hard copies of the instructions. Others, such as instructions on tuning, certain wiring harnesses and other areas are included within the EFI Tuning software. If your product does not contain any specific installation instructions, it is most likely contained in the "Wiring Manual and Diagrams" portion of the help section in the software. The software will auto-install once the CD is inserted. To view this information, go to "Help" and "Contents" once the software is installed. Once you are within the "Contents" section, read the "HELP/Instructions Overview" section. It will outline the purpose of each section. Completely read and become familiar with the instructions before you begin installation and tuning of this product!

A PDF hard copy can be downloaded and printed out by going to <http://www.holley.com/TechService/Instructions.asp>. Type in the Holley EFI part number to view the instructions available.

Holley EFI Limited Warranty

All Holley EFI Limited Warranties are extended to the original consumer only. This Limited Warranty is not assignable or otherwise transferable. There are no warranties that extend beyond those stated herein. Holley Performance Products offers no other warranties expressed or implied beyond this Limited Warranty.

Holley Performance Products warrants its new Holley EFI products to be free from defects in material and workmanship for a period of 90 days from date of purchase.

In the event of an alleged defect in material or workmanship, Holley Performance Products' responsibility is strictly limited to repair or replace the defective product. Holley has no other obligation expressed or implied. Final warranty determination will be in the sole discretion of Holley Performance Products. Holley shall not be responsible for; (a) actual or alleged labor, transportation, or other incidental charges; or (b) actual or alleged consequential or other damages incurred by use of any product of Holley Performance Products.

Holley Performance Products Limited Warranty specifically does not apply to products, which have been (a) modified or altered in any way; (b) subjected to adverse conditions, such as misuse, neglect, accident, improper installation or adjustment, dirt or other contaminants, water, corrosion, or faulty repair; or (c) used in other than those applications recommended by Holley Performance Products. Because Holley has no control over the installation and/or use of its products, Holley disclaims any responsibility for any damages or claims arising from the use or misuse of its product; it is ultimately the responsibility of the installer to ensure safe installation and operation of such products. Holley Performance Products also does not warrant, and disclaims all liability for products used in racing activities and/or applications other than those specifically recommended in the current brand catalog.

Holley EFI fuel injection kits and ECU's are covered by a factory direct warranty. To initiate the warranty process, the consumer must return the alleged defective product to HOLLEY PERFORMANCE PRODUCTS with the original, dated receipt. Warranty claims will be rejected if the date of purchase cannot be established by the consumer. Purchaser MUST call the Holley Factory Service number at 1-866-GOHOLLEY to receive details, return goods authorization (RGA) and shipping instructions. Holley is not responsible for products returned to Holley without an authorized RGA. DO NOT RETURN TO PLACE OF PURCHASE.

This Limited Warranty sets forth specific legal rights. The consumer may have other rights as a result of variations in state laws or provincial laws. This Limited Warranty supersedes all prior warranty statements.

The product accompanying this document is legal only for off-highway use (Except in California or states that have adopted California emission standards), racing use or for use on pre-emission-controlled motor vehicles/motor vehicle engines (pre-1966 domestic vehicles certified to California standards, pre-1968 domestic vehicles certified to federal standards and all pre-1968 foreign vehicles), per the manufacturer's application guide.
